

Our Diamond Clusters are Different

OUR SOLITAIRE Diamond Clusters look so much like a solitaire that it requires a close examination to note the difference.

Their cost is only one-fourth as much as a single diamond the same size.

We want YOU to see them.

GO NO FARTHER

The Evidence Is At Your Door.

Louisa proof is what you want and the statement of this highly respected resident will banish all doubt:
J. B. Peters, prop. hardware store, Lock Ave., Louisa, says: "I was in constant misery when walking sitting or bending over, on account of my back. When I attempted to rise after sitting down, my back felt weak and sharp pains shot through my kidneys. Rheumatic pains seemed to be all over my body, but particularly in my knees, hips and joints. The kidney secretions were irregular in passage and highly colored. I was languid, discouraged and run down in health. Doan's Kidney Pills did me a lot of good and after taking four boxes which I purchased at the Louisa Drug Co., I felt as if I had a different pair of kidneys. All the pains were removed."
OVER SEVEN YEARS LATER, Mr. Peters said: "Although I have very little trouble with my kidneys now I find it necessary to take Doan's Kidney Pills once in awhile. I always get the same good results."
